Notice of the launch of new Investor Relations website in English

Relo Holdings, Inc. (the Company) today announces the launch of its new Investor Relations website in English. (<http://www.relo.jp/english/ir/>)

Designed to distribute the full spectrum of the Company's progress and growth potential to our shareholders and investors, the Web site greatly expands the amount of available information on the Company including financial results and a wide variety of corporate information useful to investors.

Visitors to the Web site will find general information on the Company, President's message, business overview, consolidated operating results, shareholder information, IR news, and contact information to receive more information from the company's Investor Relations.

(Reference) About Relo Holdings, Inc.

Relo Holdings, Inc. is a leading company providing comprehensive outsourcing services for corporate fringe benefits in Japan. The Company's shares are listed on First Section of the Tokyo Stock Exchange. Most of its revenue comes from stable businesses that have recurring revenue streams, including the relocation house rental management service, a specialized rental property management service for vacated houses which transferred employees leave, launched in 1984 as our original business. By creating new outsourcing services to resolve various challenges to corporate fringe benefits that human resources departments face, and building on these stable business foundations, the company has achieved 13 consecutive years of revenue growth and 4 consecutive years of record profits.
