Position and Policy on Reduction of Minimum Stock Trading Unit

1. Our position on reduction of minimum stock trading unit

Relo Holdings, Inc. (the Company) recognizes that reducing the minimum stock trading unit can be useful to increase the liquidity of shares and to expand the class of investors in equity markets.

2. Our policy on reduction of minimum stock trading unit

The Company will continue to evaluate the necessity of reduction in the investment unit by monitoring such factors as our share price and the trends in the stock market, while taking into consideration the expenses required for the reduction and the effectiveness of any such action.
